

Let's Check-off Child Abuse in Missouri!

A small donation from you could make a big difference for Missouri's kids.

If you receive a refund on your Missouri taxes, please consider donating a portion of that refund to the Children's Trust Fund (CTF) through the Tax Check-off Program.

Just look for the handprints on your Missouri tax return and let your tax preparer know you are interested in doing your part to support children and their families.

We rely on your help because the State of Missouri does not appropriate general revenue funding to CTF for child abuse prevention activities.

With everyone's help, just *think* of what could be done to prevent child abuse and neglect in our state.

Together...we can  off child abuse. *Thank you.*

The Children's Trust Fund envisions children and families free to grow and reach their full potential in a nurturing and healthy environment free from child abuse and neglect.
